

## **DAN HALEY**

**Executive Director, Coloradans for Responsible Energy Development**

Mr. Dan Haley is an advocate for American energy and Colorado oil and natural gas development and currently serves as the Executive Director for Coloradans for Responsible Energy Development. Previously, he was President & Chief Executive Officer of the Colorado Oil & Gas Association, where he was responsible for leading the industry in Colorado legislative, regulatory, and public relations matters.

Prior to joining COGA, Mr. Haley was Vice President of Communications, Development and Strategy at EIS Solutions, a public affairs firm where he served numerous corporate and political clients, including oil and gas interests. Mr. Haley also spent more than 20 years in communications, including 13 years at The Denver Post, where he served as Editorial Page Editor for several years.

A Colorado native, Haley graduated from the University of Wyoming and sits on the Colorado Advisory Committee for the U.S. Global Leadership Coalition.
